JOB POSTING

Job Title: Technical Designer (I.A.T.S.E. Local 1 Union position)

Hudson Scenic Studio is an IATSE-affiliated leading provider of custom scenic fabrication, automation, and painted scenery servicing the live entertainment industry. To learn more about the company, please visit our website www.hudsonscenic.com. Location: Yonkers, NY.

A Technical Designer is responsible for developing technical solutions for the live entertainment industry, based on design concepts as well as visual information and technical specifications, to develop safe and cost-effective construction methods.

Wages are hourly and competitive, under the IATSE Local 1 CBA.

Key Responsibilities

- Develop technical solutions for the live entertainment industry.
- Create technical drawings for shop build based on designer drawings, layouts, and other visual aids
- Draft detailed assembly/installation drawings for use by production during load in
- Research and order materials and hardware required to execute the construction of designed units.
- Actively communicate with construction team and participate in the commissioning of units designed
- Works closely with Project and Production managers to meet budgetary and scheduling goals.
- Communicate with client creative and supervisory staff during the design and construction phases of the project
- Help monitor quality control

Qualifications

- Bachelor's degree or above in Technical Theatre, Engineering, and/or equivalent experience
- Minimum 3 years of relevant experience in Entertainment construction design
- Fluent in AutoCAD / Inventor experience
- Experience with Revit, Rhino, Photoshop preferred
- Solid knowledge of stagecraft practices. Shop fabrication experience recommended
- Experience in designing winches & rigging equipment preferred but not required
- Self motivated, able to work under pressure and lead when necessary
- Excellent team player

Hudson Scenic Studio is an equal opportunity employer.
