JOB POSTING

Job Title: **Estimator & Technical Analyst**

Hudson Scenic Studio is one of the most successful providers of custom scenic fabrication, automation and painted drops servicing the live entertainment industry. To learn more about the company, please visit our website www.hudsonscenic.com. Location: Yonkers, NY.

The Estimator & Technical Analyst reports to the head of Project Management and is responsible for estimating scenery and drapery budgets, expanding our vendor list, ordering materials for productions in conjunction with engineering, placing Job Orders, & sketching innovative construction techniques.

Key Responsibilities:

- Work with Project Management to produce budgets for scenic construction projects accounting for materials, labor, & sub-contractors.
- Create job orders for all awarded jobs.
- Work with project managers and engineers to order materials for projects.
- Liaise with outside vendors for quotes & serve as point-of-contact for questions once products are ordered.
- Explore new building techniques to create cost-saving solutions to meet client budget and schedule requirements.
- Assist engineering department in creative solutions to construction constraints.

Preferred Qualifications:

- Minimum of 3+ years in commercial theatre or entertainment industry construction & estimating.
- Strong interest and/or experience in innovative fabrication techniques & exploring new avenues of construction.
- Experience working with IA contracts for stagehand and scenic art labor.
- Strong AutoCAD skills & ability to navigate Inventor; Proficient in Microsoft Office programs and Google G Suite.
- Strong understanding of scenic construction and automation.
- Ability to effectively prioritize, execute, and problem solve in a high-pressure environment and work efficiently within given time constraints; highly organized.
- Ability to communicate ideas clearly.
- Self-motivated; Team oriented and highly collaborative work style.
- Knowledge of advanced automated tooling, such as CNC Lathes, Routers and Mills, including how to integrate them into technical solutions.

We offer a competitive salary and excellent benefit package. Hudson Scenic Studio is an equal opportunity employer.

HUDSON is excited for the return of Broadway this fall and is actively hiring for this position. Please apply by sending cover letter and resume to: hr-payroll@hudsonscenic.com. Deadline for applications is July 30th.
